**Dear Community Supporter of Rowan House:**

Rowan House Emergency Shelter is a tiny, two bedroom facility located in the basement of an adolescent group home. We have significantly outgrown our current facility and are in desperate need of a larger, more secure shelter. Every year, we turn away more families than we can house. We have purchased land in the Town of High River and construction has begun on the new shelter. This dream will become a reality in 2012 through the generosity of people like you.

The building is well on its way and we will be near completion by the date of our Gala. We require \$300,000 to complete and furnish the building, inside and out. Operational dollars to operate at 4 times our current capacity are also required. We need your help. Money raised at this year's Hope & Healing Gala will go directly to this need.

We invite you to attend this year's Gala on: **Saturday, May 5, 2012 at**  
**Highwood Memorial Centre, High River**

A corporate sponsorship or an item for our auction would also be greatly appreciated.

Please see attached enclosure

We sincerely hope you will support us..
